# Unhinged Arena Promos

As we've seen in [past Arcanas](#), the *Unhinged* set resurrected some of the ideas of the never-released set *Unglued 2*, but a lot of art was still commissioned for *Unglued 2* and never used.

The [Arena League](#) found a handy use for some of that art -- a set of *Unhinged* promotional cards featuring the original *Unglued 2* art. These cards were in the *Unglued 2* design file and made it to print in *Unhinged*. There's even alternate flavor text on four of them. Check it out.
