Doubling Viashino

Magic Arcana
 Tuesday, December 13, 2005

The original art description for **Doubling Season** called for the art to depict a double batch of *viashino* instead of *saprolings*. The artist, Wayne Reynolds, duly created this initial sketch:

While the sketch was awesome, it was later decided that the card should depict *saprolings*, since it's what most of the token-generating cards in *Ravnica* produce, and would be an in-color race (*viashino* are traditionally red-aligned). Here's the second sketch.

This sketch led to the final art on the card.
