Magic Arcana
 Monday, December 19, 2005

Magicthegathering.com is running "best of" content during the holidays, and will return with new content January 4, 2006. This Magic Arcana originally ran January 13, 2005.

Tallowisp (a *Betrayers* card [previewed today](#) by Mark Gottlieb) is the spirit of a candle's flame. According to the art description provided to Ron Spears, it once lit the scrolls and tomes of the legendary kitsune wizard, *Autumn-Tail, Kitsune Sage*, as indicated by the scrolls in *Tallowisp's* art. In addition, the shape of *Tallowisp's* flames are intended reflect the shape of a kitsune's ears.

Of course, *Tallowisp* probably only helped *Autumn-Tail* *before* the kami went to war with the mortals. It looks a bit angrier now than the quiet tapers shown in the art of *Kitsune Mystic*.
