Knowledge Arcana Spring 2006 Issue

Magic Arcana
 Monday, April 17, 2006

Knowledge Arcana's fifth issue hits the web! Click over to [KA's homepage](#) and download the latest issue of our online 'zine for gamers by gamers. This quarter we bring you a **Magic** mana puzzle that will break your brain and interviews with R&D's MaRo and BraDo. (That's Mark Rosewater and Brady Dommermuth to the uninitiated.) There's also new short fiction "The Dreamer and the Fiend" and a big helping of amazing illustrations from Wizards.Community members.

Once you've had your fill, [send in your feedback](#) on what you thought of this latest issue.
