Coldsnap Theme Decks

Want to get hip-deep in *Coldsnap* immediately? Check out the *Coldsnap* theme decks, hitting shelves along with booster packs and Fat Packs on [July 21](#).

Ice Age and Alliances cards?!

Yep. Since *Coldsnap* is part of the *Ice Age* Block, its cards of course play nicely with cards from the *Ice Age* and *Alliances* sets. And just like other third sets' theme decks, *Coldsnap*'s theme decks contain cards from its venerable predecessors, *Ice Age* and *Alliances*.

Online Ice Age and Alliances cards?!

Yep. The contents of these theme decks is particularly big news for the *Magic Online* crowd. As soon as these theme decks hit *Magic Online*, *Ice Age* and *Alliances* cards that have never been available online will become available. That means your Online Classic decks can feature such true classics as Gorilla Shaman, Bounty of the Hunt, Giant Trap Door Spider, Kjeldoran Dead, Death Spark, Ashen Ghoul, Scars of the Veteran, Brainstorm, Storm Elemental, Browse, and good old Swords to Plowshares.
