Raptor/Sphinx Mural

Magic Arcana
 Wednesday, July 19, 2006

These two cards have something in common.

Okay, yes, they're both blue. They're both snow creatures. They're both in *Coldsnap*. Something deeper than that! They both illustrate key themes from the set. Keep going. They're both painted by Lars Grant-West.

Now you're getting warmer.

Lars Grant-West painted these two cards as a single mural!

Wait, you guessed it already? You're saying we already gave away the gag in the Arcana title? Oh well—it's still really cool. Here's the mural. Click it for a larger version.
