Final *Time Spiral* Minisite Update

Magic Arcana
 Wednesday, September 20, 2006

This Saturday and Sunday are the [Time Spiral prerelease events](#), which means this is the final update for the [Time Spiral minisite](#). As of today, you have one final sneak peek at preview art from the set, a puzzle and bonus wallpaper, and the final volume of the "Urza-Mishra War" comic.

The theme for today's update is "Temporal Deluge"—and as you'll see, you'll be inundated with references to classic cards from **Magic's** past. *Time Spiral* is a bold new part of the **Magic** landscape shot through with a network of homages, new twists on past cards and insider allusions—a feast for both the new player and the veteran fan.

Time Spiral proves that if you want something to return, sometimes all you have to do is wait for the swing of a pendulum.

Also on [magicthegathering.com](#) today, be sure to check out [Mark Gottlieb's feature article on Time Spiral rules](#). It's a lighthearted look at the rules tweaks coming along with *Time Spiral*—and for most players, it should be much more enjoyable fare than that technical [Rules Primer](#) released earlier.
