Unseen Legends in *Time Spiral*

Magic Arcana
Thursday, November 16, 2006

Most of the legends in *Time Spiral* are front-and-center, nestled cozily inside the borders of their own card.

But some make their presence known more obliquely. **Jedit Ojanen**, a fierce legendary cat warrior from the *Legends* set, is referenced only through **Jedit's Dragoons**.

The cat warrior Jedit, and the Dragoons he inspired, years later - Jedit Ojanen art by Mark Poole

In a controversial move, Jedit left his tribe of fellow cat warriors to join the Robaran **Mercenaries**, and later battles the evil lord **Johan** (see the [comic book](#) for more). The tribe he left behind may have learned a lesson in survival, because **Jedit's Dragoons** are still kicking around Dominaria.

Like Jedit, **Jacques le Vert** isn't timeshifted into the set himself, but he shows up on **Pendelhaven Elder's** flavor text. Jacques, **Pendelhaven** and **Pendelhaven Elder** all share the theme of protecting fellow forest-dwellers.
