Crovax the Cursed

Magic Arcana
 Monday, January 1, 2007

The card **Crovax the Cursed** represents the cursed nobleman Crovax after he has become transformed into a vampire. And then there's **Ascendant Evincar**, which depicts Crovax after he's become the evincar of Rath. But that's not all the cards that depict this former *Weatherlight* crewman's bloody history -- not even close.

Enfeeblement shows Crovax despairing over his betrayal by Selenia, Dark Angel.

Slaughter shows him killing Mirri, Cat Warrior soon after becoming a vampire.

Death Stroke shows Crovax slaying Selenia in revenge, sealing his doom and fulfilling his curse.

And **Gerrard's Verdict** depicts **Gerrard Capashen** killing the now cruel and genocidal evincar Crovax.

There are plenty more. What other cards can you find that show off this tortured soul? Check out the [Magic Storyline Summaries](#) page for more stories of Crovax and the *Weatherlight*.
