Fruitcake Elemental

Magic Arcana
 Wednesday, January 3, 2007

Happy New Year! You may have seen a foily holiday surprise mentioned in the coverage of [The Finish Line](#), Wizards of the Coast's holiday party to celebrate the winner of the Great Designer Search (congratulations to Alexis Janson).

That foily surprise was Fruitcake Elemental, a special gift to all the Finish Line attendees and to Wizards' internal teams and business partners. Check it out:

Illustrated by Darrell Riche and designed by a hand-selected committee of R&D elves, Fruitcake Elemental is one of the rarer promotional cards in recent memory and an indestructible acknowledgement of the importance of regifting.

Here's a higher-resolution shot of the art of this frosting-shouldered, pecan-bellied, out-of-control emissary of holiday tidings (shown about to scarf down a polar bear):
