Planar Chaos Prerelease Card

Magic Arcana
 Tuesday, January 16, 2007

This weekend you'll finally be able to tear open your first packs of *Planar Chaos*. We recommend you find a good, solid chair for when you build your sealed deck, because once you start spreading out those cards, the world is going to seem a little wobbly already.

The *Planar Chaos* prerelease: Leave your expectations at the door. (Look for the convenient expectation-receptacle near the main entrance of a venue near you.)

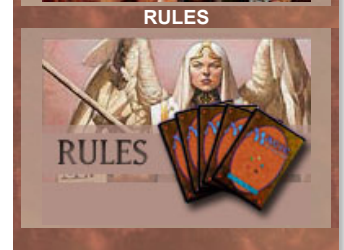

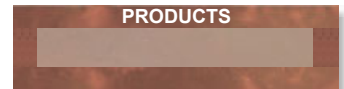

It's time to reveal the prerelease card, so [get set](#):

Mmm... dragon. Mmm... mass creature kill. Mmm... white *spit-take* damage ability.

The *Planar Chaos* worldwide [prerelease events](#) begin Saturday, January 20th.
