Stingscourger's Sting

Magic Arcana
 Thursday, February 8, 2007

With all the color-shifting going on, it's easy to miss *Planar Chaos's* *Time-Spiral*-like art references. Although *Planar Chaos* is built around Dominaria's alternate past, nostalgia still plays a strong part in the set as it showcases twists on familiar abilities in the guises of other colors.

The [Magus cycle](#) recalls powerful lands from the past. [Ana Battlemage](#) and [Auramancer's Guise](#) add new cards to cycles that have gone before. Slivers recreate the effects of powerful enemy-colored gold cards of old.

The powerful red creature [Stingscourger](#) shows off red's alternate-reality "bounce opponents' creatures" theme, alongside [Dead // Gone](#). Note that its art gives a nod to the 2/2's [scyphozoan](#) heritage.
