Inspired Magus Art

Magic Arcana
 Tuesday, May 22, 2007

The background of **Magus of the Future** shows the Escherian landscape of multidirectional stairs also seen on the Magus's inspiration card, **Future Sight**. In the art of that enchantment, Ixidor is shown in his castle seeing visions of future actions: pleading with Akroma, battling the furious Kamahl, facing Phage.

Future Sight art by Matt Cavotta

Franz Vohwinkel took inspiration from his own *Eighth Edition Blood Moon* art for the background of *Magus of the Moon*. The flavor text of *Magus of the Moon* offers an explanation for the look of the *Time Spiral* mountains.
