We're getting close to the *Shadowmoor* previews. Keep watching the skies! No, wait. Watch this website instead. That sounds like a more promising idea. For it is by watching this website that you get to see things like the *Shadowmoor* Fat Pack:

Say, what's that blurb say?

Eight packs? Wow! What else is in there?

Yup. That's eight boosters all right. What are all those other things?

- A player's guide with a complete visual encyclopedia of the set,
- A pack of 40 *Shadowmoor* basic lands,
- A *Shadowmoor* spindown life counter (that's the twenty-sided life counter, only available in this fat pack)
- The *Shadowmoor* collection of short stories (more information [here](#)),
- Did we mention the **Eight** *Shadowmoor* boosters?
- One random Pro Tour Player card, and
- A card box with wraparound art by Adam Rex. That art looks like this:
